*I think people should be allowed to keep pet dogs. There are lots of reasons for this.*

*First, dogs are really cute. It's nice to pick them up and hold them in our arms, and it's wonderful to see them growing up quickly.*

One day somebody sent Cao Cao an elephant. Cao Cao wanted to know its weight, but there was nothing big enough to weigh it on. Cao Chong told his father he could weigh the elephant using a big boat and a lot of heavy stones. First, he led the elephant down into the boat and Cao Chong marked the water line; then they drove the elephant onto the bank and put the heavy stones in the boat until the water came up to the same line. Finally, Cao Chong told the men to weigh each of the stones. In this way, he weighed the elephant.

From the story, we can see how clever Cao Chong was! We should learn from him to be a person using our brain to solve problems.
