How to practice spoken English?

How can we practice our spoken English?

The first and the most important thing is to believe 41 . You should always be full of confidence or you 42 be able to improve your English. You should often encourage yourself. "Come on, don't be afraid!"

You should never lose heart and never give up.

Maybe you are afraid of losing face, but you should think since we are students and we're 43 , there's no need to worry 44 anything . You must always be active in practice. There's no problem that your pronunciation and intonation(语调) can't be as good 45 the native people because we are Chinese, and we don't have chances to live in foreign countries and talk with the people there 46 . But you must know that the main way to study English is to make ourselves understood and 47 other people. You should believe that native speakers will not laugh at you. 48 they will encourage you. So if you are brave enough you'll certainly make a rapid progress in your 49 English.

50 be shy or afraid ! Just have a try.
